

Minutes of the Ordinary Meeting of Haddiscoe Parish Council held on Monday 7th February 2022 7.30pm at Haddiscoe Village Hall, Haddiscoe.

Present: Mrs S.Daines (Clerk), Mr T.Haycock, Mr C.Robinson, Mr R.Long, Mr V Sheppard, Mr R Beevor, Mr B.Stone, Mr J.Knight, Mr M.Jackson, 3 x Parishioners, Mrs Charlotte Lewis

Apologies: Mr I.Fulcher

Minutes of the Last Meeting: Minutes of the Ordinary Meeting held on Monday 6th December 2021 were read through and agreed by all present.

Matters Arising from the Minutes: The clerk thanked Mr Stone for funding the replacement grit bin for Rectory Road from his slush fund. The clerk is to let Gary Overland at Highways know when the new bin has been put in place so that he can organise for this to be filled with grit.

Mr Knights has offered to assist Mr Haycock in registering the land known as 'The Pit' to Haddiscoe Parish or Haddiscoe Charity. This is the parcel of land in which the village sign is located.

County & District Councillors: Mr Stone & Mr Knight explained this year's increases that we will see on our Council tax bills. They also explained that the Local Plan had reached the next stage but nothing as of yet has been published regarding the village clusters – this will be around June time.

Planning: Ref: BA/2021/0242/COND – Haddiscoe Tavern – Amend site layout – Work has commenced on this site. We have concerns over drainage, but Mr Knight assured us that as the Environmental Agency was involved regarding the initial planning application via Broads Authority, they will ensure that all the work adheres to any conditions.

Finance & Administration:

Chq.534 - £0.40 – HMRC – PAYE/NI'er

Chq.535 - £2051.60 – Sarah Daines – Clerks salary & expenses for Y/End 31.03.22

Chq.536 - £196.67 – Glasdon – New Grit Bin (this will be reimbursed by Barry Stone)

Speed Monitor: Mr Fulcher has asked that the two batteries for the speed camera are replaced as they are both now failing. The clerk will get in touch with Westcotec and get these ordered.

The clerk has been in touch with the clerk at St.Olaves and she suggested that we get in touch with the police again to see if they can organise a mobile speed camera unit to come to Haddiscoe.

Playground: Mr Long is concerned that the seesaw posts are going rotten as water sits on top of them. He has asked the clerk to get in touch with the playground repairers to see if metal caps can be fitted on top.

Highways:

A.O.B: We all welcomed Charlotte Lewis who will be taking over from Sarah Daines from the 1st April 2022 as clerk. It was a unanimous decision by all attendees.

Within a few weeks the village should be hooked up to ultrafast broadband.

We received an email from a parishioner asking if he can have some litter picking equipment. All present agreed and the clerk was asked to purchase this (£30.00 from Amazon). If it is successful and others want to also litterpick, more sets can be purchased.

The next meeting will be our Annual Public Assembly on Monday 4th April 2022 at 7.00pm followed by the first Ordinary Meeting of the financial year at 8.00pm.

The clerk supplied information to Mr Haycock regarding the registering of footpaths that need to be done before 2026.

Meeting Closed – 8.45pm
